COME ARRIVARE

By train / bus

Bus 11 runs every 20 minutes from the railway station (bus stop located across the street from the station). Get off at the Agip petrol station in Viale Monsignor Nogara. The ISIS Stringher is a three-minute walk from the bus stop.

By car

From A4, exit Udine Sud. Take the tangenziale and exit at the first Stadio exit. As soon as you exit the tangenziale you reach a large roundabout: take the first exit to enter viale Giovanni Bocaccio. Follow this road to the roundabout: go straight on and into Viale Monsignor Nogara. Continue on this street up to the traffic lights. Make a U-turn, pass the Agip petrol station and the ISIS Stringher is immediately after it, on the right hand side.
